

Pa State Report to EASFAA Council

February 20-22, 2022

Executive Council

The 21-22 PA Executive Council started immediately in October 2021 and we have a meeting every other month.

Conference

The PA Annual Conference was held in October 2021. It was a virtual conference. The registration fee was \$50 and we had 363 registered for the conference. Whoova was the conference App. The first 250 school-based registrants received a conference in a box that was sent to their homes. Many different items were in the box which were purchased by PASFAA. 50/50 drawing was held for the Charity which was Feeding America and we raised \$1250.

Areas of Issues, Challenges or Recommendations

We have Spring training which will be held in March or April 2022 as a virtual conference. We are also holding our Don Raley training in June 2022 as virtual. We are hoping to hold the annual conference live at the Penn Stater in Penn State in October 2022.

We are changing platforms for PASFAA. The new event and webinar platform is CVENT. They will be able to handle all payments for our conference membership and other payments. The exhibitors should have an easier time using CVENT. It is a bit more expensive but easier to manage.

Respectfully submitted,

George T. Santucci
