

Delaware State Report

June 2020

Executive Council

The Delaware goal this year is to provide collaboration and development of our state administrators while increasing our participation and membership in the organization.

Conference

Delaware participates in the Tri-State Fall conference in November and encourages new members to attend Neophyte in October.

Membership

Membership participation continues to be a struggle for the Delaware area. Our increased efforts on providing meaningful events will hope to increase participation and entice new members.

Training

Delaware will offer one Networking event and one Professional Development event for the academic year. We will also be involved in a community service initiative. By collaborating with Maryland and DC, we will offer these events in a form accessible to everyone.

Committees

We will be forming new committess soon to prepare for the events being offered in the coming year.
