

Delaware State Report

October 2020

Executive Council

The Delaware goal this year is to provide collaboration and development of our state administrators while increasing our participation and membership in the organization.

Conference

Delaware participates in the Tri-State Fall conference which will now occur in November 2021.

Membership

Membership participation continues to be a struggle for the Delaware area. Our increased efforts on providing meaningful events will hope to increase participation and entice new members.

Training

Delaware will offer one Networking event and one Professional Development event for the academic year. Our first networking event is being scheduled prior to Thanksgiving and will include a food or drink demo. A webinar was offered last month to the membership through a collaboration with the Delaware Department of Education and the Federal Department of Education. This included 2021-2022 updates and state initiatives.

Committees

We have a committee of 5 Delaware members that have met to discuss future offerings.
