Past-President: Sage Stachowiak, Southern Connecticut State University

- Most recent meeting September 16, 2022.
- Executive council has a 2<sup>nd</sup> year with no President Elect. It's been a challenge to recruit leadership, with positions often running unopposed. Beyond the normal recruiting and nominations, we will:
  - Examine president's role and term to determine if there is a way to lighten the load and make that position more appealing
  - Determine if someone in the President or Past President could also serve as President Elect with council support. Or could there be co-Presidents of some sort?
  - Constitution and bylaws is investigating the logistics of a potential bylaws change to allow associate members to throw their hat in the ring if/when necessary. It's been debated before and did not pass.
