Conference

October 9-12, 2022 at Seven Springs Mountain Resort, Champion, PA. Attendees anticipated: 200+.

Membership

336 – Holding steady

Training

PASFAA's pre-conference Fundamentals Workshop is designed from the NASFAA University curriculum as an overview of the basics of the student aid programs and regulations for all school sectors. It will be held Sunday, October 9 – Monday, October 10, 2022. Workshop fee is \$50 and includes registration, training materials, and meals.

Committees

PASFAA is rebooting its mentoring program, NextPAGE, which is intended to establish and foster professional relationships between newer financial aid professionals and those who are more seasoned. The pandemic temporarily derailed this initiative, since members had to primarily focus on creating new work realities for conducting day-to-day operations in their offices.

Miscellaneous

Respectfully submitted,

Colleen Coudriet
